E mail: cldtbusinesssupport@shsc.nhs.uk

Fax: 0114 3050933

We also run workshops and training for staff and carers

Community Learning Disability Team

Eligibility

Eligibility

Because we are a specialist team who work with people who have a learning disability, we might need to ask you some questions when we first meet you to decide if we are the right team for you.

What to expect:

- We will invite you and your carer or relative to meet with us.
- We will ask a lot of questions about what you do well and what you find difficult. We might also ask about what you were like when you were younger.
- We might ask to look at records from other people you have met, like school or Ryegate. If you have any of these at home, it would be helpful if you could bring them with you.

We might be able to tell you if you have a learning disability from one meeting but sometimes we cannot make a decision right away. If this happens, we might need to ask to meet you again to complete another assessment.

What happens if you are eligible?

We will talk to you more about what your needs are and make sure that we ask the right people from the team to meet with you.

What happens if you are not eligible?

We will talk to you about what you need and will try to help you find the right service to support you
